

Lemon Herb Cheesy Quinoa

Ingredients

- 1 Tbsp butter
- 1 clove garlic, grated
- 1 cup quinoa
- 2 cups chicken broth
- 1/4 cup lemon juice

- 1 cup grated cheese (I used cheddar)
- 1/2 cup mozzarella cheese, shredded
- 1 Tbsp parsley, diced
- 1 Tbsp basil, diced

Directions

1. Add clove and butter to small pot over low heat.
2. Add in quinoa, chicken broth and lemon juice. Bring liquid to a boil and then turn heat down to low and cover. Let it cook for 5-10 minutes, or until quinoa is soft and fluffy and absorbs water.
3. While quinoa is cooking, grate your cheese.
4. Once quinoa is done cooking, add cheese and stir in herbs. If desired, add extra cheese and herbs to top.
